WHY CHOOSE EPITECH?

Choosing Epitech means living a unique experience. Autonomy, freedom, and creativity are the key words defining our school. Our active, inductive, project-based learning style is adapted to everyone. We train dynamic IT experts who are leaders of tomorrow.

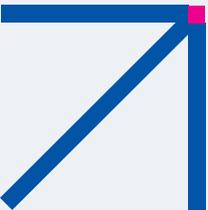

At Epitech, you don't just learn how to be the perfect developer. First and foremost, you'll need to know how to anticipate problems, find solutions and develop new skills by being exposed to other disciplines. We'll teach you how to learn rather than repeat facts and carry out imitative or repetitive tasks. Whether you're interested in our short-term Summer/Winter School programme or seeking a semester or full-year study exchange in vibrant cities like Paris or Barcelona, Epitech offers unparalleled opportunities to shape the future of IT.

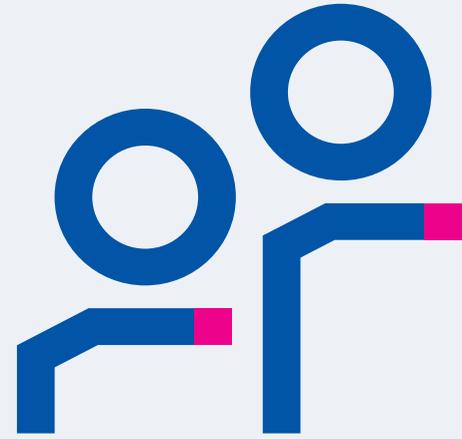

EPITECH AT A GLANCE

- Premier school of IT expertise and innovation in France
- Established in 1999
- One of the largest IT institutions in Europe
- International footprint - 15 campuses in France and 6 abroad
- Active & inductive project-based learning
- More than 3 000 partner companies
- More than +120 partner universities
- Study in a beautiful European city – Paris or Barcelona (EU students only)
- All courses in English
- Connect with our vast professional network
- Personal support every step of the way
- Over 6500 students
- More than 12 500 alumni
- More than 100 projects completed every year

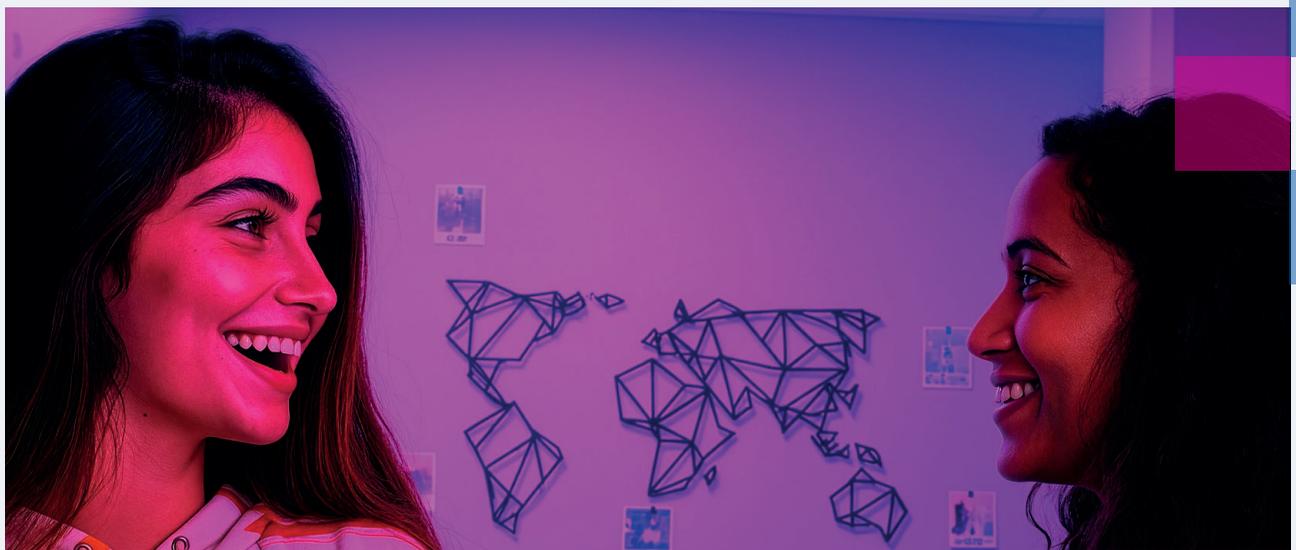

SEMESTER OR FULL-YEAR STUDY EXCHANGE

Embark on a transformative learning experience with Epitech’s semester or full-year study exchange programme! Open the door to a one-of-a-kind educational adventure while immersing yourself in the vibrant cultures of Paris or Barcelona.

Epitech’s teaching methods empower independent learning, enhance understanding of business practices, encourage teamwork, and develop strong decision-making skills. Throughout the programme, you’ll complete dozens of engaging projects using the latest IT technologies. And that’s not all. Year-round, you’ll partake in numerous cultural and enjoyable activities organized by the school exclusively for you!

1

<A 100% English curriculum/>

All modules offered in English, taken alongside local students and other international exchange students.

2

<Immersive Computer Science courses/>

Either 1st, 2nd, or 3rd year level CS courses in an interactive, project-based learning environment.

3

<Learn a foreign language/>

Take French or Spanish as a foreign language and participate in cultural activities with other international exchange students.

EPITECH SUMMER/WINTER SCHOOL

6 ECTS

2 WEEKS

**YOU CAN FIND MORE
